

## Record Other Pests in FeralScan

**Have you seen feral donkeys, camels or water buffalo?**

**Record sightings into the FeralScan website:**

**[www.feralscan.org.au/otherpest](http://www.feralscan.org.au/otherpest)**

**The FeralScan website now contains a new community resource for reporting and mapping of donkeys, camels and water buffalo.**

**Record Other Pests in FeralScan**

**What this website provides**

This is a free resource for landholders, community groups and biosecurity authorities to work together and record information on feral donkeys, feral camels and water buffalo. Help protect agriculture, native habitats and infrastructure by recording information to notify local communities and biosecurity groups about sightings or problems caused by these species. Images can be uploaded with your report and your information will remain private.
